<p>Description: Come join Boston Market this holiday season! We are now accepting applications for enthusiastic and customer focused individuals to fill our seasonal positions. Seasonal associates will have the opportunity to work a flexible schedule on a temporary basis, which may include early mornings, evenings, weekends and busy events such as Thanksgiving and Christmas Day. Typically, you are the first person our guests meet or see when they walk in the door. As a result, it's critical that you make them feel welcome. This doesn't mean that you need to try and contact them from across the room, but when they approach you to place their order, please smile and greet them with sincerity and kindness. Ask them if they have any questions about our menu that you may answer, or if they would like to sample any of our awesome gourmet sides. In doing this, you will delight our guests and may give them a reason to come back to try that side item they have never tried before. Once you've given them a chance to ask questions and sample our sides, it's time to take their order and prepare their plate.</p>
