Lincare is playing our part to meet the COVID-19 challenges through our continuum of care with in-home services, helping to maximize hospital capacity, and provide a more comfortable environment for our patients. Our number one priority in any emergency or natural disaster is the safety of not only our patients, but our employees as well. While many of our roles do not have face-to-face interactions with our patients, some roles do. With these patient-facing roles, we have ensured that we are following the latest standards and guidance in the use of personal protective equipment (PPE). Lincare is a health care provider and must live up to our mission, which is to set the standard for excellence, transforming the way respiratory care is delivered in the home. Now, even more than before, we are all needed to play our vital role within the Lincare organization.

Summary:

- * To aid in all Customer Service functions of order entry while abiding by the procedures set forth by management.

13610799	WASTEWATER SHIFT SUPERVISOR	1	32	FALL RIVER			INETEMPL	05/29/20
-----------------	------------------------------------	----------	-----------	-------------------	--	--	-----------------	-----------------

In Fall River, MA, Veolia operates water facilities: a 30.9-MGD pure oxygen secondary-activated sludge wastewater treatment plant, 15-dry-to-per-day multiple hearth furnace, 14 pump stations and a regional collection system. In addition, Veolia conducts industrial pretreatment program analyses and river sampling, and performs collection system rehabilitation, CSO tunnel management and 5,000-dry-tons-per-year sludge incineration and disposal.

To support these operations, Veolia is seeking an Shift Supervisor who will plan and coordinate activities of workers to operate and maintain wastewater treatment, processing, disposal and testing equipment in wastewater treatment facility to purify water to meet permit requirements and operational requirements. This is a variable shift position who will work some nights and weekends to support 24 hour operations.

13625175	WORK PLACE HEALTH AND SAFETY MANAGER, BO	1	40	FALL RIVER			INETEMPL	06/02/20
-----------------	---	----------	-----------	-------------------	--	--	-----------------	-----------------

The Site Workplace Health & Safety (WHS) Manager will be responsible for partnering with a site operations team in a Fulfillment Center to execute company WHS policies and ensure compliance to all applicable local and regional regulations. By leveraging lean principles and Kaizan's, you will lead continuous improvement initiatives to reduce conditional and ergonomic risk in our processes to ensure a safe and healthful working environment for our Associates. A successful Site WHS manager will demonstrate the ability to build trust and confidence with the Operations Team and inspire change through providing comprehensive risk assessments and WHS data analysis.

The Site WHS Manager must be an effective communicator and send clear, concise and consistent messages, both verbally and in writing. You will instruct and train Operations Leaders in Amazon WHS policies and assist the operations site teams in incorporating our WHS standards at their site. You will work to identify best practices and incorporate these standard methodologies into our standards
