Lincare is playing our part to meet the COVID-19 challenges through our continuum of care with in-home services, helping to maximize hospital capacity, and provide a more comfortable environment for our patients. Our number one priority in any emergency or natural disaster is the safety of not only our patients, but our employees as well. While many of our roles do not have face-to-face interactions with our patients, some roles do. With these patient-facing roles, we have ensured that we are following the latest standards and guidance in the use of personal protective equipment (PPE). Lincare is a health care provider and must live up to our mission, which is to set the standard for excellence, transforming the way respiratory care is delivered in the home. Now, even more than before, we are all needed to play our vital role within the Lincare organization.

Summary:

\* To aid in all Customer Service functions of order entry while abiding by the procedures set forth by management.

13634664	MARKETING AND GUEST SERVICES COORDINATOR	1	40	SWANSEA			RTEIX	06/05/20
----------	--	---	----	---------	--	--	-------	----------

The Marketing and Guest Services Coordinator (aka Camp Scout) works directly with the Corporate Marketing Team and the local Camp Manager to grow the business of the local Camp through a variety of marketing and sales activities.

The Camp Scout serves as the representative of the brand at camp, in the community and through various outlets. The Camp Scout position is ideal for an energetic individual with sales or marketing experience. This individual must be a self-initiator, self-motivated and be accountable through tracking and communication

This role is split evenly between grassroot marketing and in-Camp responsibilities. The Camp Scout will work to create partnerships with local businesses and non-profits, secure and attend local events to represent the brand, and cold call community partners. The Camp Scout will spend time in Camp making sales calls, building customer relationships, implementing marketing programs and promotions

applicable federal & state laws. The WHSS also conducts assessments related to jobs performed (Job Hazard Analysis) and new equipment introductions. In addition, the WHSS is responsible for recommending appropriate mitigation measures to management,

The Site Workplace Health & Safety (WHS) Manager will be responsible for partnering with a site operations team in a Fulfillment Center to execute company WHS policies and ensure compliance to all applicable local and regional regulations. By leveraging lean principles and Kaizan's, you will lead continuous improvement initiatives to reduce conditional and ergonomic risk in our processes to ensure a safe and healthful working environment for our Associates. A successful Site WHS manager will demonstrate the ability to build trust and confidence with the Operations Team and inspire change through providing comprehensive risk assessments and WHS data analysis.

The Site WHS Manager must be an effective communicator and send clear, concise and consistent messages, both verbally and in writing. You will instruct and train Operations Leaders in Amazon WHS policies and assist the operations site teams in incorporating our WHS standards at their site. You will work to identify best practices and incorporate these standard methodologies into our standards
