----------	-----------------------------	--	------	------------	--	--	----------	----------

Test takers will choose from a variety of online assessments and tutorials to practice their skills and abilities. The results will not be used by anyone but the test taker without the test taker's written permission. ABLE is using this program to assist local job seekers and to learn which assessments are most valuable for the best jobs.

The test taker will log on to ABLE's TEST CENTER to create a personal account and notify ABLE's Test Administrator. The Administrator will ensure that the registration and payroll information is complete. The Administrator will then help the test taker to select assessments. The assessments will be emailed immediately to the test taker's account. The test taker will complete up to three assessments within a 5 day period. Upon completion the test taker will take a three question survey to determine whether the selected assessment will be helpful in the future career. Upon receipt of the survey results, the Administrator will submit the earned hours into ABLE's payroll system and the resulting pay will be deposited into the test taker's bank account or pay card on the following
