GENERAL SUMMARY/ OVERVIEW STATEMENT:

Nursing at Brigham and Womens Hospital is known for their excellent clinical practice and for keeping patients and their families at the center of all they do. We understand that great care is shaped by relationships with patients and their families. Thats why were committed to knowing our patients on a deeper level not just as patients, but as individuals to ensure that they, and their families, feel known and cared for.

As BWH, we proudly work together with a spirit of inquiry and a deep commitment to providing the highest quality, evidence-informed and theory-guided care in an inclusive environment. We work each day to achieve our vision to provide excellent care to patients and families, with the best staff, in the safest environment.

Just as we have been able to reinvent health care, we have also transformed health care careers. Whether measured in terms of lives saved, awards earned, or the personal satisfaction of stretching your talents a career with BWH is unlike any other in the health care

14005703	PHLEBOTOMIST II- NORTON, MA REQ51114		1 40					
			NORTON				INETEMPL	09/16/20

Go the extra mile. Patients and Physicians rely on our diagnostic testing, information and services to help them make better healthcare decisions. These are often serious decisions with far-reaching consequences, and require sensitivity, tact and a clear dedication to service. It's about providing clarity and hope. In Patient Services you will work for the world leader in the industry, with a career where you can expand your skills and knowledge. You'll have a role where you can act with professionalism, you can inspire colleagues, and you can care about the work we do and the people we serve. At Quest, Patient Service roles are tremendously important - it is a patient-focused role where it is essential to remember that there is a life and person behind every test tube. Your skills are critical, as is your ability to work with the patients. The role is varied and offers a developing career in Phlebotomy due to the scale and reach of Quest. You can grow and improve your skills in a fast-moving, supportive team environment. Most importantly, you can help us make a real difference.
