Amazon	Shift Assistant, Operations (Full-time)								

Since opening our virtual doors in 1995, we've been pushing the boundaries of 'possible' further and further. Our entire business works hard to delight our customers - from the second an order is placed online to the seamless coordination of that order behind the scenes, we strive to stay agile, fluid and intentional. That can be described in one of our core Leadership Principles, which is Bias for Action. This means that our teams band together, roll up their sleeves, and aren't content with just standing still. We're aiming to become the most customer-centric company on Earth.

Shift Assistants are part of the Last Mile operations in Amazon Logistics and play a crucial role in this rapidly growing team. Shift Assistants are responsible for daily management of department duties including: allocating labor, leading meetings, assigning job

electrical devices. This position makes equipment recommendations and ensures that units are maintained. Technicians work in both our stores with Tool Rental Centers and in our repair centers. In a store, technicians will be expected to provide service to store customers in Tool Rental which includes writing customer contracts and invoices for equipment rental and tool repairs, checking to make sure tool is operating properly and demonstrating its proper use (as needed). In addition to supporting customer repair needs, they are also responsible for the day-to-day operation and maintenance of equipment in the tool rental department. In non-store locations, technicians will ensure units are repaired, tested for the quality of the repair and cleaned prior to returning to the store

I believe that better care begins at home.

Compassionate care, uncompromising service and clinical excellence – that's what our patients have come to expect from our clinicians. Kindred at Home, a division of Kindred Healthcare Inc., is the nation's leading provider of comprehensive home health, hospice, and non-medical home care services.

Kindred at Home, and its affiliates, delivers compassionate, high-quality care to patients and clients in their homes or places of residence, including non-medical personal assistance, skilled nursing and rehabilitation and hospice and palliative care. Our caregivers focus on each unique patient to deliver the appropriate care and emotional support to our patients and their families.

I believe in working for a company that cares as much as I do.
