The Family Health Care Center at SSTAR is a community health center in southeastern Massachusetts serving a diverse population of mostly low-income patients. We offer integrated primary care and behavioral health services. This includes primary care, chronic disease management, mental health counseling, psychiatry, office-based addiction treatment, substance abuse counseling, nutrition, HIV/STD/Hepatitis C management, complex care case management, and a variety of support services. The overall SSTAR program also includes an inpatient substance abuse treatment facility, outpatient behavioral health clinic, and walk-in Opioid Triage Center. We are using NextGen as our electronic medical record throughout the organization.

Our main clinic site is at 400 Stanley Street, with a smaller satellite clinic at 1010 South Main Street, both in Fall River. At this time we are planning for a new additional clinic on Weaver Street.
