One focus area of the Amazon Workplace Health & Safety (WHS) mission is to provide tools, resources, and environments that support safe, efficient, healthy behaviors and encourage employees to proactively manage their health and wellbeing. To support this focus area, Amazon is seeking a full-time WHS Specialist (WHSS) to serve as a designated representative for their assigned building coordinating and implementing all areas of the Amazon Global Program as directed by the leadership. The WHSS promotes a positive culture while complying with Amazon standards and maintaining a safe work environment. This includes conducting trainings and coaching associates on observed work habits.

The WHSS is required to maintain accurate daily, weekly, and monthly metrics to report to onsite management teams and corporate based reporting systems. The WHSS supports management's efforts to ensure compliance with all corporate Program expectations and applicable federal & state laws. The WHSS also conducts risk assessments related to jobs performed (Job Hazard Analysis) and new
