14667284 CASE MANAGER	1	40					
STEPPINGSTONE, INC.	FALL RIV	'ER			ABORG		03/17/21

SUMMARY: The Case Manager works as an integral part of the Program Team. The Case Manager will perform, but is not limited to, the following duties: administration of program record-keeping, conducting interviews, intakes, developing, implementing and monitoring individualized service plans, case reviews, and advocacy. This position requires home visits. This position may require a flexible schedule including 1st and 2nd shifts. The agency has the right to change shifts based on the needs of the organization.

### ESSENTIAL FUNCTIONS:

**Position Specific Duties** 

Conduct screening and intake interviews to determine consumer eligibility for services.

Provide consumer program orientation services and requirements.

Conduct confidential, quality assessments that are gender and culturally responsive and trauma informed.

14671482 CASHIERS	4 25		
Home Depot	SOMERSET	KFRAN	03/18/21

Cashiers play a critical customer service role by providing customers with fast, friendly, accurate and safe service. They process Checkout and/or Return transactions, as well as monitor and maintain the Self-Checkout area. They proactively seek product/project knowledge to provide customers with information and identify selling opportunities. They follow all policies and procedures to ensure that shrink is minimized. A Head Cashier will position Cashiers and support them by expediting price checks, approving Point of Sale transactions and markdowns for mainline registers, Self-Checkout, Returns, Pro Desk, Special Services, and Tool Rental. They provide first level escalation for customer issues and assist in the supervision, coaching and training of other Front End Associates by participating in the training of new Cashiers and utilizing all available tools to coach and develop other Cashiers. The preferred qualification for a Head Cashier is 1+ years of Cashier experience.

14671492 DESIGNER/KITCHEN BATH	1 40		
Home Depot	SOMERSET	KFRAN	03/18/21

Designers support three primary store priorities: Customers First, In Stock, and Store Appearance. Designers support Customers First by providing fast, thorough, and friendly service to customers. Designers interact with customers by welcoming them to the store, assessing their kitchen and/or bath project needs, providing showroom tours, setting them up for kitchen and/or bath measures, meeting with them to go over room designs and make purchasing recommendations. Designers support In Stock initiatives by assessing stock levels of samples and brochures and restocking them as necessary. Designers support the Store Appearance priority by ensuring special order displays and showrooms promote a shopping environment that is appealing and safe. By supporting these three priorities, Designers drive sales to support department and store goals.

One focus area of the Amazon Workplace Health & Safety (WHS) mission is to provide tools, resources, and environments that support safe, efficient, healthy behaviors and encourage employees to proactively manage their health and wellbeing. To support this focus area, Amazon is seeking a full-time WHS Specialist (WHSS) to serve as a designated representative for their assigned building coordinating and implementing all areas of the Amazon Global Program as directed by the leadership. The WHSS promotes a positive culture while complying with Amazon standards and maintaining a safe work environment. This includes conducting trainings and coaching associates on observed work habits.

The WHSS is required to maintain accurate daily, weekly, and monthly metrics to report to onsite management teams and corporate based reporting systems. The WHSS supports management's efforts to ensure compliance with all corporate Program expectations and applicable federal & state laws. The WHSS also conducts risk assessments related to jobs performed (Job Hazard Analysis) and new
