<b>15361855</b>	<b>BOS7 AREA MANAGER II- FALL RIVER, MA</b>		<b>1 40</b>					<b>1</b>
<b>Amazon Corporate LLC</b>		<b>FALL RIVER</b>				<b>INETEMPL</b>		<b>08/19/21</b>

Our WW Operations network delivers millions of packages and smiles to Amazon customers every day. We are looking for motivated, customer-focused individuals who want to join our team as an Area Manager. In this role, you will lead a team of hourly workforce and will be responsible for engaging your team during their shifts to maintain the highest levels of safety, quality, attendance, and performance. You will also play a key role in maintaining our customer expectations to ensure customer orders are delivered at the right time, to the right location.

Our Operation's workflow has three major components: First mile - where the product is housed and ready for order; Middle mile - where the order is hauled to your area; and Last mile - when the product is delivered to the customer's door. Please note that all workflows have slight building variations, but one thing is constant: our vision and dedication to the customer.

As our healthcare system continues to shift to home-based services, so does the need for clinicians. In this position, our clinical travel team moves with those shifts to provide critical care when and where it is needed in the short-term. We are currently looking for professionals in the Boston and Atlanta metropolitan areas to join our Registered Nurse travel team. This position allows talented staff to work as an employee earning a salary, paid travel expenses, and a fleet car. You will enjoy company benefits, acquire paid time off, and be eligible for bonuses. Our travel clinician team moves from centers serving patients on country roads in rural Georgia to thriving modern metropolises on California's coast. We look forward to connecting with you, learning more about your professional goals, and presenting this exciting opportunity!

15353968	WHS SPECIALIST	1	40	FALL RIVER			INETEMPL	08/19/21
Amazon Corporate LLC								

One focus area of the Amazon Workplace Health & Safety (WHS) mission is to provide tools, resources, and environments that support safe, efficient, healthy behaviors and encourage employees to proactively manage their health and wellbeing. To support this focus area, Amazon is seeking a full-time WHS Specialist (WHSS) to serve as a designated representative for their assigned building coordinating and implementing all areas of the Amazon Global Program as directed by the leadership. The WHSS promotes a positive culture while complying with Amazon standards and maintaining a safe work environment. This includes conducting trainings and coaching associates on observed work habits.

The WHSS is required to maintain accurate daily, weekly, and monthly metrics to report to onsite management teams and corporate based reporting systems. The WHSS supports management's efforts to ensure compliance with all corporate Program expectations and applicable federal & state laws. The WHSS also conducts risk assessments related to jobs performed (Job Hazard Analysis) and new
