Did you know?

Many professionals in the medical field begin in home health care and move up into jobs in:

- Radiology / Imaging
- Respiratory Therapy
- Pharmacy Technology
- Phlebotomy / Laboratory
- Billing / Administration
- Nursing (LPN & RN)
- *And beyond!*

You can do it too!

Build a strong foundation for steady employment in the healthcare industry. You will receive interactive classroom instruction with lectures, case studies, videos, and online media. You will also participate in a program enhanced Cultural Competency Foundations workshop alongside working medical professionals. Students who successfully complete the training course will receive a certificate. Employment placement assistance will be provided.
