Patient Care Technician

We are seeking qualified applicants to provide quality patient care services at our state of the art facility. As a PCT you will monitor patients before, during and after dialysis treatment including measuring and recording stats, initiating cannulation, patient observations, and hemodialysis machine setup. Patient Care Technicians have a combination of technical skills and genuine passion needed to develop deep relationships with patients and improve their quality of life. National certification, HS diploma, or GED required. Previous patient care experience preferred.

Why Choose American Renal Associates:

We offer starting salaries above the industry average, and we do not cap salaries.
