BankFive	FALL RIV			INETEMPL	09/23/22	

The teller is the face of the bank, seeing more customers than any other position at BankFive. As an ambassador of first impressions and delivering a world-class customer experience for all current and prospective customers, the teller will deepen and retain existing customer relationships. The teller will accurately and efficiently process and record routine transactions for bank customers including cashing checks, accepting deposits and withdrawals, processing loan payments and money transfers while promoting and advising on the bank's products and services.

17757265 TRANSPORTATION SUPPORT SPECIALIST	1	40		
Amazon Corporate LLC	FALL RI	VER	INETEMPL	09/30/

Job summary

Amazon Transportation Support Specialist

This position requires a Class A commercial driver's license (CDL) and is subject to Department of Transportation (DOT) regulatory requirements.

At Amazon, we're working to be the most customer-centric company on earth. To get there, we need exceptionally talented, bright, and driven people. Amazon is seeking Transportation Support Specialists to work in our facilities throughout the United States. Amazon is one of the most recognizable brand names in the world and we distribute over a billion shipments each year to our loyal customers. As a Transportation Support Specialist, you will train drivers on safe driving practices and ensure drivers are in compliance with Amazon training, safety and maintenance standards. Training will involve a mix of both classroom and behind-the-wheel time. While primarily

17712757 VESSEL STRIKE AVOIDANCE OBSERVER - RI	1	40		
A.I.S., Inc.	DARTM	OUTH	INETEMPL	09/22/22

A.I.S., Inc. (AIS) is a national scientific services firm supporting maritime activities requiring certification of compliance with environmental regulations as well as collecting data for use by Federal, State, Municipal, and other government agencies along the US coastline.

Primary Function:

AIS is recruiting vessel strike avoidance protected species observers (VSA) to deploy on a vessel conducting boulder removal operations off the coast of Massachusetts and Rhode Island. AIS is looking for individuals with NMFS PSO approval letters to stand watch during while the vessel is under way to record data on protected species sightings and implement strike avoidance protective measures when necessary. The VSAs will be stationed offshore during 24 hour operations. Duties include but are not limited to identification of protected species; documenting location, documenting behavior and other essential data; documenting data on logs in an organized manner. Candidates will be selected based on their past experience identifying protected species.
