In this position, you will work closely with the WHS site manager, WHS specialist, and Injury Prevention Specialist (IPS). You will be required to independently evaluate and provide first aid (e.g., for musculoskeletal injuries), advise Amazon Associates (AAs) on occupational and non-occupational injuries, have great verbal communication skills, and be able to connect with AAs, as well as Amazon Managers. You should enjoy learning and applying your knowledge about health & wellness to provide care for AAs on a daily basis. You will refer care to outside medical providers as needed, and learn about OSHA regulations, risk, and analysis. Practical ergonomics experience is advantageous. However, ergonomics topics will also be covered in ongoing training.
