Life Healthcare, Inc.		WESTPORT				INETEMPL		01/26/24

About Us

One Medical is a primary care solution challenging the industry status quo by making quality care more affordable, accessible and enjoyable. But this isn't your average doctor's office. We're on a mission to transform healthcare, which means improving the experience for everyone involved - from patients and providers to employers and health networks. Our seamless in-office and 24/7 virtual care services, on-site labs, and programs for preventive care, chronic care management, common illnesses and mental health concerns have been delighting people for the past fifteen years.

In February 2023 we marked a milestone when One Medical joined Amazon. Together, we look to deliver exceptional health care to more consumers, employers, care team members, and health networks to achieve better health outcomes. As we continue to grow and seek to impact more lives, we're building a diverse, driven and empathetic team, while working hard to cultivate an environment where

20356685	FISHERIES LIAISON OFFICER - MULTIPLE OFF	1	40					
A.I.S., Inc.		DARTMOUTH				INETEMPL		01/30/24

A.I.S., Inc. (AIS) is a national scientific services firm supporting maritime activities requiring certification of compliance with environmental regulations as well as collecting data for use by Federal, State, Municipal, and other government agencies along the US coastline.

Primary Function:

AIS is seeking Fisheries Liaison Officers to monitor, document and report commercial fishing activity during offshore surveys and construction. The liaison will serve as the primary point of contact between commercial fishing vessel representatives operating in the survey area and the survey team. The goal of the liaison will be to mitigate and document any interaction between the survey operations and commercial fishing operations. Trips will last up to 4-6 weeks. Survey vessels generally range in size from 120 ft. length overall to over 300 ft. length overall. Observation information and communication will be documented electronically on approved data sheets and summarized in daily reports. The liaison works approximately 12 hours per day with the possibility to be on call at night
